This two storey modern townhouse, set in a quiet group of 4 is very low maintenance. Built in 2015 it features a practical floorplan with a well-lit living area, study nook, laundry and 2nd toilet downstairs. Upstairs there are 3 good sized bedrooms, the main with generous walk-in-robe and a two-way bathroom with separate toilet.

Downlights and high ceilings downstairs give a sense of space. The kitchen is attractive with tastefully selected cabinetry, plenty of overheads, gas cooktop with electric oven and provision for a dishwasher. Practical flooring has been laid in the living areas, with cosy carpet upstairs.
