This large family masterpiece with stunning kitchen and glorious entertaining spaces could be just what you're looking for. Light neutral colours throughout combined with sophisticated lighting and open spaces give this home a lovely feel. We love the way the kitchen connects to a large family/dining space and out to an outdoor entertaining space that's seriously impressive. Picture yourself this winter, entertaining guests around your very own brick pizza oven, under built-in electric patio heaters. Enjoy a glass of wine whilst taking in amazing views of the Onkaparinga River from your own back yard.
