Don't be fooled. From the street it doesn't look like a big house.. but guess what? It is!! You can feel the love that's been poured into this home too, from the cute little kiddie sandpit, right down to the beautiful chalk-board mural outside. Could you be the next chapter in this home's story?

Freshly painted, with a light neutral colour scheme throughout, this home has 5 bedrooms, all of excellent size, the master with luxurious ensuite and built-in-robos. It's certainly a family home where every detail has been carefully planned. Low maintenance allergy-free flooring
