This home has provided wonderful memories for the same family for a very long time. It's ready for a new life, filled with your own personality and love.

Perfect for anyone who doesn't mind a few cosmetic projects, it would also be a great addition to any investor's portfolio.

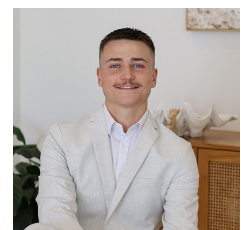

The classic eat-in kitchen would benefit from an update, or perhaps just a lick of paint to retain the vintage 80's charm. The mostly original bathroom is in great condition. There's a full-size bath, separate toilet and large laundry.
