From the moment you arrive on this picturesque, tree-lined street, you're drawn toward the beautiful white stone pathway leading to this inviting home. Walk past the established tree and manicured garden, and feel instantly welcomed by its timeless charm. White plantation shutters frame the bay window, enhancing its stunning street presence. And once inside, it truly feels like home.

Bathed in natural light and finished in soft, soothing tones, this meticulously renovated property feels far more spacious than a typical two-bedroom home.
