Set in a quiet street, and on a 450m2 block, this perfect courtyard home is quite unusual. Drive through the double garage to find undercover parking for a further two vehicles. Alternatively, use this space as intended, as a fabulous undercover entertaining area! With 3 good sized bedrooms, a big open plan living space, walk-through-bathroom, and tons of storage this home is a perfect fit.

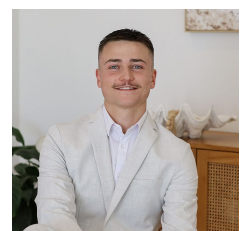

Live the low-maintenance lifestyle, without compromising on space. Light, bright, modern and neutral throughout, this home will suit any furniture or artwork you wish to bring.
