This one's just a little bit different. With touches of timber, leadlight and slate throughout, it exudes charm and warmth. The large living area with feature brick walls, timber ceiling and big colonial windows has a beautiful feel. There's a combustion heater for ambiance and warmth over winter. The full-sized bar area could also be used as a fabulous Butler's Pantry, adding a level of storage and flexibility.

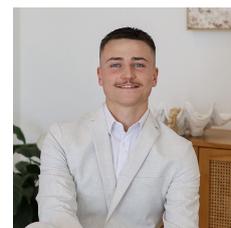

The timber kitchen, at the heart of the home, with adjacent meals area includes a dishwasher, large fridge space and granite topped breakfast bar. There's even a proper little
