Please contact David Hams from Magain Real Estate for all your property advice.

Situated on a fully fenced 700m² block, this exceptional property offers an opportunity to live in one of SA's most sought after locations. Boasting an electric gate and a single carport with exposed aggregate driveway and front parking bay, this home is designed to provide both security and convenience.

The low-maintenance front yard features a small grass area, citrus, and fruit trees, complimented by private hedging that shields the home from the western afternoon sun and keeps the home cool during the warm summer months.
