Please contact Scott McPharlin from Magain Real Estate for all your property advice.

This character split level home is filled with light, incorporating a green, leafy view through almost every window.

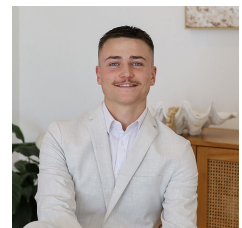

With real timber floors, generously sized rooms, and an updated kitchen it's sure to please. There's loads of storage throughout, including robes in every bedroom and walk-in pantry in the kitchen. Split system heating/cooling will keep you comfortable all year round, and you'll appreciate the ceiling fans in the living areas and bedrooms on those warm summer nights.
