This big four-bedroom beauty has plenty of space, a sparkling swimming pool, and a gorgeous park with playground just across the road.

Light, bright and neutral throughout, all the family's needs are covered with a big functional kitchen, two big living areas, 4 generous bedrooms, and plenty of storage. The formal dining area could easily be utilised as an office space, for those who need to work or study from home. The master suite has a walk-in-robe and ensuite. The other bedrooms are of good size, with built in robes to one, and plenty of room in the others to add more. Comfort is taken
