

MAGAIN

15 Morris Street Evandale SA

3 1 3

Located on a leafy tree-lined street and surrounded by beautiful character homes this property provides numerous opportunities for restoration to its former glory, renovation and or extension, or re-build (STC) on the approximate 547sqm site. Either way the property will appeal to a broad range of couples, families or astute investors that require an inner eastern suburbs location within close proximity to good schools, other facilities and the City.

Put your stamp on this timeless Villa by peeling back the layers to reveal its original charms. Classic Villa style elements include a stone front, a shady veranda with fretwork and turned posts, a central hallway, large rooms with soaring high ceilings, an open fireplace with a ceramic tiled surround and an ornate mantle with mirrors.
