

MAGAIN

51 Jetty Road BRIGHTON SA

1 1 1

An outstanding opportunity to invest in this prime beachside location. The current site comprises three one bedroom single storey flats on one title but the possibilities are endless!

You could either retain the existing building or demolish and develop (subject to council consent). Plans have been drawn up for the development of two shops and 2 well designed apartments.

It is only due to an overseas transfer that the property has come onto the market and the owner can no longer continue to pursue the development application. Zoning is Residential D with the City of Holdfast Bay Council.

Type : House
Land Size : 345 sqm
