5/12 Porter Street PARKSIDE SA

2 1 1

Sited in a small beautifully maintained group of six, this renovated townhouse will have instant appeal.

With new carpets and freshly painted throughout, there is a real ambiance here. The formal lounge/dine leads into a new kitchen with stainless steel appliances and ample cupboards.

The separate laundry is adjacent to this and there is also a new 2nd WC on this level.

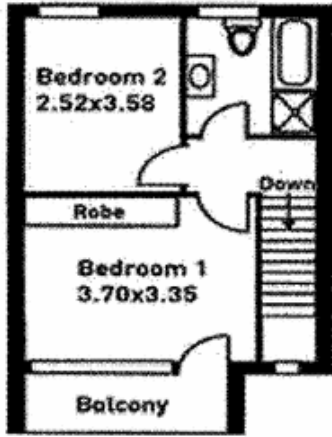

Upstairs are two large bedrooms (main with robes) and a North facing balcony off the master bedroom - a great place for morning coffee. The updated bathroom is also on this level.
