'Two townhouses sold and three left available-Call for further information today'.

So much character and so close to the city. Richmond is a prime suburb and was always ready to be re-invented and take its place as one of the city's demand suburbs.

Framed by beautifully renovated bungalows these classic three bedroom townhouses will live in perfect sympathy with the historic homes that surround it.

Downstairs the property boasts a formal lounge, family/computer area, quality kitchen with stainless steel appliances and dishwasher. A second downstairs shower is adjacent to the separate laundry. The glass sliding door opens onto the unique rear garden with access for two cars with lockup carport, which is a tribute to the foresight of the planners of the area. Also included is ducted reverse cycle
