Renovate and reap the rewards!

This deceptively spacious Bungalow is sited in an excellent quiet street close to transport, city and shopping.

A wide entrance hall leads to three double bedrooms (one with open fire place) and a large formal lounge also with fireplace and reverse cycle air conditioner.

Other features include high ornate ceilings and neutral decor.

The kitchen, bathroom and laundry require updating but will respond well.

This is certainly a home you could just move in to and renovate as you are able.

Private rear yard, large brick workshop/garage plus carport. Priced for immediate and genuine sale.
