## 19 High Street WILLUNGA SA

Located right in the heart of the Historic township of Willunga is this secluded character Western Red Cedar home with return verandah.

Being an ideal first home, that home buyer may be eligible for the Government grant of \$18,000. It's just perfect for a young couple who like their privacy yet within all the amenities a country town has to offer - just a short walk to the bakery and three different hotels and other specialty shops!

The large open plan living area incorporates an Oregon timber kitchen with under bench oven and featuring polished timber floor boards.
