60 Red Cedar Drive REYNELLA SA

3 1 4

An impeccably presented three bedroom home, conveying an abundant sense of 'homeliness' throughout.

Ideally located close to Southgate Plaza shopping, transport, schools, Southern Expressway and southern beaches, the home has had the same owner for decades, and has clearly been lovingly updated and maintained over that extensive period.

Basket range stone frontage creates excellent street appeal and internally the home (double brick) features three bedrooms, two with built-in robes. The home has a flowing floorplan including formal lounge, dining and pristine updated kitchen. Large windows provide plenty of natural light.
