1-2 Wallala Avenue PARK HOLME SA

2  1  2 

This nicely established homette style unit was built in 1986 and is situated at the front of a small group of three in a quiet but convenient location and offers unusually large living area plus room for boat and caravan with dual side access plus two carports and good size backyard.

Without doubt one of the largest homettes's we have had the pleasure to offer for sale, the lounge and dining areas are both huge, the lounge big enough for a full size pool table and there is a neat kitchen with gas range, plenty of cupboards and breakfast bar, bathroom plus separate laundry and toilet.

Handy to local library, primary school, parks, bus, train and good local shopping, put this property on your must see list
