

MAGAIN

57 Tutt Avenue KINGSWOOD SA

5 2

A pleasure to present this character home built around 1920 in this premier suburb, offering many of the period's classic features. Completing a great package, the home offers a tasteful blend of old and new with a well designed extension continuing the gabled roof line to include an open plan living/kitchen area, extra bedrooms, second bathroom and laundry facilities. First impressions from the front gate allures you to the well maintained gardens and sweeping front verandah, leading to the central hallway with original woodwork and doors. Inside, the home offers plenty of accommodation with 4 bedrooms including good size master bedroom with gas fired corner heater (typical of the era), plus a study. The home is comfortable year round with ducted reverse cycle air conditioning and a R/C wall unit in the family/living area. Plenty of natural light in the good

Type : House
Building Size : 21 sqm
