## 9-11 Dumphries Street FLAGSTAFF HILL SA

4  2  2 

With a wide frontage over two titles of land and with a total area of 1213sqm, this solid brick Colonial boasts 3 metre ceilings, absolute quality and loads of space throughout.

The wide marble entrance hall leads into a huge formal lounge and separate formal dine- both with quality drapes.

The new Alby Turner timber kitchen is sited at the hub of the home and adjoins the separate breakfast room on one side and the huge North facing family room with picture windows to the gorgeous rear grounds.

There are four double bedrooms with walk in robes; the
