Interstate transfer has necessitated the vendors selling this magnificent property. No expense has been spared in the building & renovation of this beautiful home sited opposite the parklands and reserve of Oaklands Estate. The attention to detail is prevalent throughout - from the 2.8m ceilings to the gorgeous Spotted Gum timber flooring and quality neutral decor.

The stunning kitchen is at the hub of the home & boasts Caesar Stone bench tops, two stainless steel ovens, dishwasher, microwave and built in stainless steel refrigerator along with ample cupboards & stunning tiling.

Adjoining this is the large family room which leads out to an undercover outdoor decked entertaining area.

The formal lounge with gas log fire is at the front of the home- a perfect retreat!
