Call Jane Nelson on 0418820655 for details of this gorgeous home. Built by AV Jennings in 2004, this deceptively spacious two storey home has been superbly maintained and is presented as a show home.

Sited on low maintenance grounds and designed to capture the outlook, it offers loads of natural light, quality tiling and neutral decor throughout.

The ground floor level has a wide entrance leading to home office, double garage with automatic doors, formal lounge, formal dine and flows into the large open plan living area and modern kitchen with pantry and dishwasher. The powder room/ 3rd WC and laundry are also on this level.
