58 Pildappa Avenue PARK HOLME SA

4  2  1 

Developers and long term investors take note of this one. Located in a nice street and surrounded by other quality, established homes, this older and original 4 bedroom property with external rumpus room is set on a nice allotment of just over 800sqm and would appeal strongly to a brand new semi-detached development (subject to usual council consents). Zoned Residential (General) Northern Policy Area 15 to the City Of Marion and a frontage of 18m and depth of over 45m.
