Without doubt one of the best kept homes in St Marys that we have had the pleasure to offer for sale, a very genuine much loved solid brick family home with north facing backyard and in a great location, but you'll need to register your interest before confirming inspection by appointment.

Featuring high ceilings and neutral decor throughout, the home comprises three good size bedrooms, formal front lounge, a lovely big kitchen with pantry, dishwasher, plenty of cupboard space and adjacent dining area, but the added bonus is an enormous rumpus room, large enough to be a pool room, big home office or the teenage retreat.
