53 Carrickalinga Boulevard ABERFOYLE PARK SA

5 🏠 2 🚗

What a surprise! This deceptively spacious energy efficient home is perfect for the larger family. Offering five bedrooms, two bathrooms and a study, all the family will have their own space.

The formal lounge at the front of the home provides a perfect place for parents whilst the large family room which is adjacent to the new kitchen with stainless steel appliances, is ideal for the kids.

The solar grid means the family has not had to pay for any electricity or gas for two years and with plenty of room to grow vegies and a rainwater tank with pump for the garden, you can really save the dollars!
