3/173 Brighton Road SOMERTON PARK SA

2 1 1

Sited in a small single storey group, this spacious solid brick unit is sited at the rear and offers a private garden setting.

The entrance hall leads into a spacious air conditioned lounge/dine and on to the kitchen with ample cupboards.

There are two bedrooms (main with robes), bathroom and separate laundry.

The lock up garage separates the unit from next door.

The unit requires updating, paint & some repairs along with new floor coverings but at this price in this location, it is worth the effort.
