8-125 Anzac Highway KURRALTA PARK SA

2 1

To arrange an inspection call Jane Nelson on 0418820655. This first floor Strata Unit is a complete surprise inside! It has been superbly renovated with taste and flair and there is nothing to do sit back & relax.

The current owners have owned the unit for the past eight years as an investment & during that time have never had a problem finding a tenant! Of course now, it has been fully updated and fully furnished too!

The spacious living area with laminated flooring is adjacent to the open plan sensational brand new kitchen with breakfast bar and new gas stove.

There are two good sized bedrooms, both of which have robes.

The brand new bathroom/ laundry is again very tastefully
