24 Ayre Street SOUTH PLYMPTON SA

3 1 2

Set on the corner of Ayre Street and Wintrena Street, this late 1940's built property has great potential for renovators, first home buyers or developers and investors. Offering an opportunity to buy now and reap the rewards from continual growth in the suburb, you can further renovate, rent out quite easily or look at sub-division as a two-unit site (subject to the usual council consents). New Zoning of Residential Northern Policy Area 13 to the City Of Marion. The property itself has off street parking for many cars, caravan or trailers in the gravel driveway and roller door carport access to the rear garage and workshop. The home has a good size formal lounge, well proportioned bedrooms, original bathroom and light and bright kitchen/meals. Gas cook top and electric oven and downlights.
