## 10 Holt Street NETLEY SA

3 1 1

Sited on 750 sqm allotment approximately in excellent location, this original solid brick home offers an outstanding opportunity to develop or renovate the existing home.

With its 17.6 m frontage approximately and zoned R21-Residential, it would be suitable for two semi-detached or possibly three row dwellings because of the location. All obviously subject to council approval.

The home itself offers a good size lounge, three bedrooms, eat in kitchen, bathroom & laundry.

**Type** : House  
**Building Size** : 10 sqm
