This stunning Bluestone fronted Villa will have immediate appeal to the buyer looking for charm, character and an easy care lifestyle.

Built in 1983 but with olde world charm, this solid brick home boasts high ornate ceilings, quality decor, security and superb paintwork throughout. Along with this is ducted gas heating and ducted evaporative cooling.

The entrance leads through to a beautiful formal lounge and dine with gas log fire.

The master bedroom at the front of the home has robes and an ensuite bathroom.
