This beautifully presented one owner Freestone fronted home Circa 1962 will impress the most fastidious of buyers! Quality solid brick built with high ceilings, the owners have loved and maintained this home throughout the years and it feels and looks like it!

Sited on landscaped private grounds within walking distance to Westfield and transport at your door, it offers an outstanding opportunity to just move in and enjoy.

With neutral quality decor throughout, it offers a wide entrance leading to a spacious formal lounge with gas heating and on to the separate dining area. This is adjoined by a light filled family room which is surrounded on three sides by fernery - a really lovely place to relax in!

The eat in kitchen is at the hub of the home and has ample cupboards plus a dishwasher.
