29 Ridgway Drive FLAGSTAFF HILL SA

4 2 2

Sited in an outstanding location abutting beautiful Flagstaff Hill Golf Course and within easy walking distance to local shopping, medical, transport & school, this solid brick home is deceptively spacious.

The flexible floor plan is currently laid out as four bedrooms, two bathrooms, study area, family room, separate dine, kitchen and laundry.

There is a very private courtyard/entertaining area on the Northern side plus a fully fenced inground pool at the rear. A great place to enjoy the golf course views is adjacent to this.

Lock up garage plus lock up carport UMR.
