32 Wallala Avenue PARK HOLME SA

Situated in the rapidly changing suburb of Park Holme with new homes constantly being built, this large level allotment provides an opportunity to further develop the land.

The allotment is approximately 835 square metres in area with an 18.2m frontage and is fully fenced and virtually level.

Here is a rare opportunity to establish a new home (or homes) in a great central location within easy reach of schools, shops and medical facilities without the additional cost of demolition.
