## 10A Harrow Street DOVER GARDENS SA

Thinking of building a new home, then this good size block may suit the plans you have in mind, and if you are looking to take advantage of the first home buyers grant, you need to start before the deadline for your building contract, why not put this land on your must see list this weekend.

Handy to bus, train station adjacent Marion shops and close to Flinders Uni and Brighton Beach, the attached sketch is an artists impression of a new home nearby that is to be built on a similar block, but the builder of your home will have a variety of plans to show you.

Centrally located and with many new homes nearby and realistically priced for an early sale, for further details, certificate of title dimensions or more particulars, contact
