12 George Francis Drive MOUNT COMPASS SA

3  1  3 

This impressive and recently updated home is located in the Mount Compass golf estate boasting an amazing outlook and could be ideal for a range of different buyers. Nestled down on the lower side of the road and with only one neighbour and with the spectacular views at the rear makes this property extremely private, unique and worth some serious consideration.

There is a large drive way that leads into a double garage under the main roof with an automatic panel lift door and private internal access to the inside of the home. There is also plenty of room for additional parking at the end of the driveway, ideal for a trailer or possibly a caravan or even an additional garage or carport if required subject to necessary consents.
