Sited in an idyllic location opposite a beautiful reserve, yet within walking distance to bus transport, this fabulous family home will not disappoint. With all the room you will need for both living and garaging, it offers a unique opportunity in this tightly held location close to Blackwood.

Two living areas create real room to move, plus there is a games room, paved entertaining area and five bedrooms or four and a study - you choose!

The master offers walk in robe and ensuite, positioned at the front of the home, whilst the four children's bedrooms and main bathroom are in their own wing.

The living areas are really spacious and open. The formal lounge/dine leads through to a large family room, games room, casual meals area and large kitchen with ample cupboards and pantry.
