## 184 Gilbert Street ADELAIDE SA

2  1 

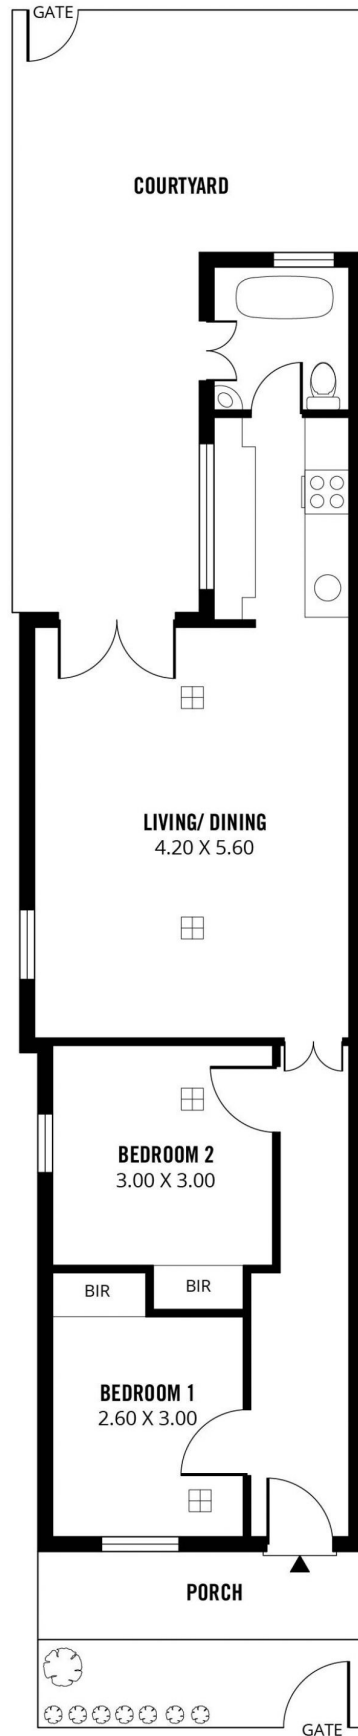

A Gorgeous example of a bygone era is this Circa 1880, Torrens Title Cottage, they definitely don't make them like this anymore. For the past decade and more the current owners have successfully run their printing business from here which could appeal to anyone else looking for a similar enterprise?

Traditionally though these magnificent little gems are highly sought after for owner occupation and this beauty still retains some heritage features including beautiful stain glass windows, lovely decorative ceilings and ceiling roses and polished floorboards.
