This totally updated apartment is not what you expect from an inner city pad!

As soon as you step through the door, onto the stunning, Tasmanian Oak floorboards you will notice that every internal door has been replaced with crafted solid wooden ones with character handles. The quality of fixtures & fittings throughout is very high.

The kitchen has been totally transformed using beautiful granite tiles for both the floor and bench tops with dishwasher and portable cooking hob.

Large separate dining & lounge rooms are tastefully decorated which compliments the overall presentation of this unique city apartment.

Two large bedrooms are both stylishly tiled and are serviced by 2 sparkling bathrooms with a discreet laundry
