This stunning, Circa 1880 Row Cottage is one of 3 in this gorgeous group. A unique offering which has been sympathetically renovated allowing a perfect blend of old and new to flow through all the way to a lovely tranquil courtyard at the back which is the perfect place to unwind at the end of the day. Not only is this a great place to live in, (you can literally smell the coffee from the Central Markets) but could also be a very good investment, Airbnb? Another option is the possibility to work from home which another one in the group is already doing, STCC.
