## 58 Corryton Street ADELAIDE SA

1 1

This "Little Ripper" of a Single Fronted Cottage built around 1880 could tell some stories about its 135 year history but don't worry there is still plenty left to tell. The future is looking bright with the chance to move straight in and enjoy this cosmopolitan South East corner of the City. Your other option is to rent out or jump on the Airbnb phenomenon as this would be a perfect residence for this venture with a low maintenance appeal and a location to match.
