With all the hard work already done, this spacious, modern two bedroom unit is move-in ready! Positioned toward the back of the complex, this home is ideal for first home buyers, investors and those looking to downsize without compromising on space and lifestyle.

As we enter the home, we are greeted with a generous, open plan kitchen, living and dining area. This section of the home is fresh, functional and full of modern design elements including stainless steel appliances, statement light fittings and a breakfast bar. The kitchen is spacious and like the rest of the home, follows a neutral colour scheme. Storage is no problem whatsoever as there are many overhead cupboards and a pantry available to store the groceries.
