Been dreaming of a laid-back, beachside lifestyle? Then here is your opportunity! Only 6 homes back from the esplanade, opportunities to buy homes like like this don't come about often. With three separate outdoor entertaining areas, a full 710 sqm (approx.) block and an external rumpus room, this property will not be on the market for long!

For the benefit of the new purchaser, the home has seen a great number of updates since it was established. The kitchen has been updated to suit modern tastes, the internal and external walls have been painted in neutral tones, sections of the home have been re-carpeted and a new meter box has been installed. With all the hard work already done, this home is truly move-in ready!
