Situated on a quiet and pleasant drive in the peaceful suburb of Huntfield Heights, is this delightful, three bedroom home. With a spacious and functional floorplan, a large outdoor entertaining space and a sizeable block, first home buyers, growing families or savvy investors alike cannot afford to miss out on viewing this home before its sold.

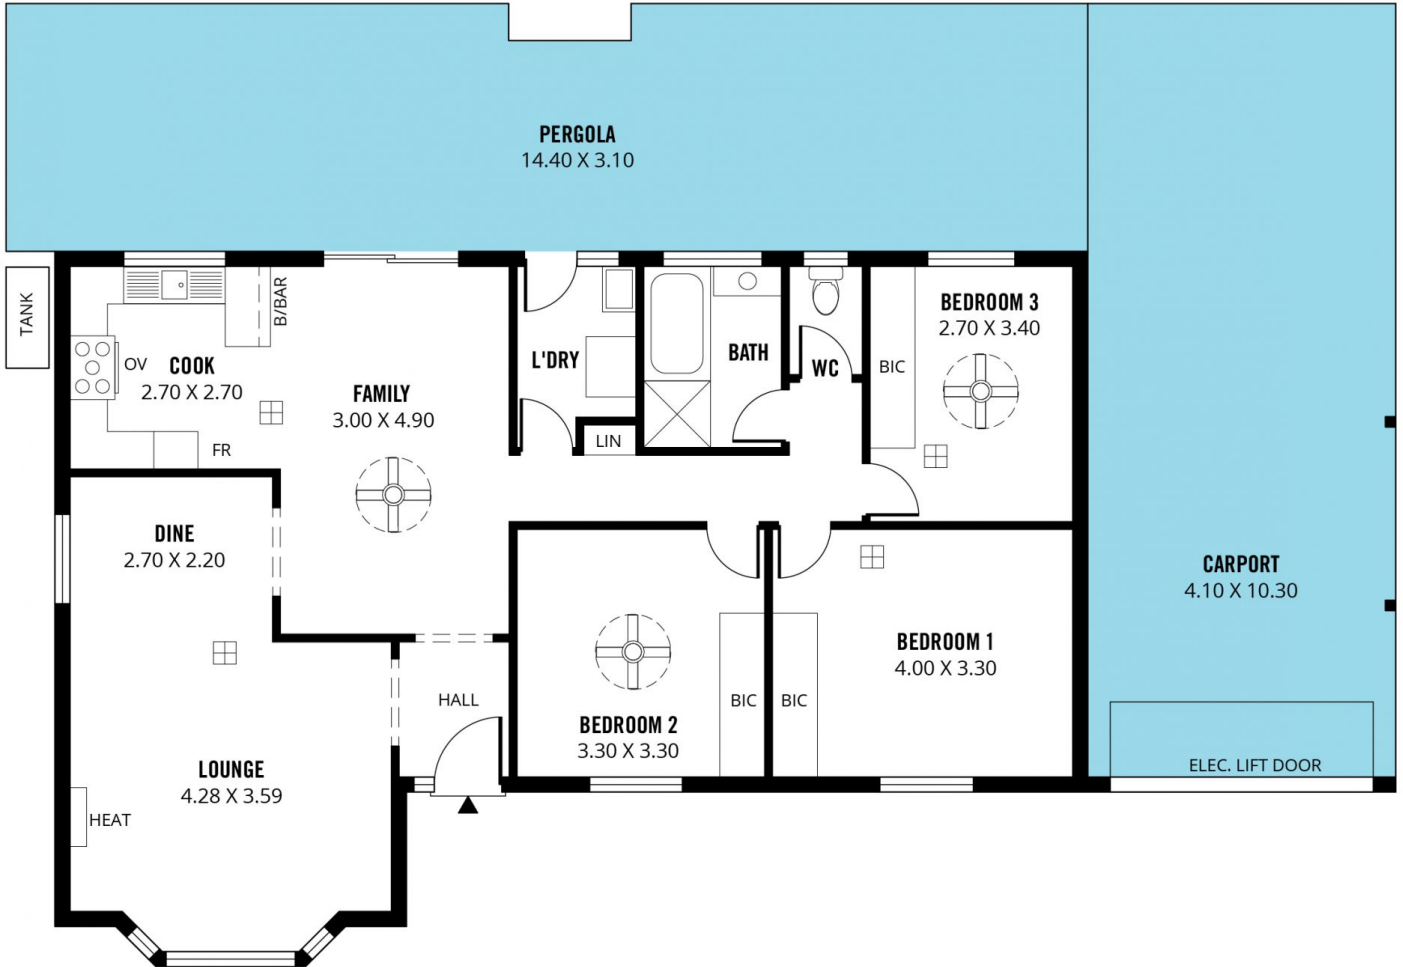

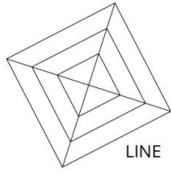

Upon entering this neat and tidy home, to the left is the spacious front-facing living/meals area. This room certainly benefits from the large bay window that allows an abundance of natural light to fill the space. Adjacent is the meals area that can comfortably seat the entire family - or could even be used as a study area; as per your preference.
