It's not too often that a parcel of land becomes available in such a well-established suburb.

Nestled within close proximity to local amenities including shops, quality schools, parks, public transport, access to the southern expressway and much more! Approximately 395sqm, making it perfect for first home buyers, downsizers or growing families looking to create their dream home (STCC). Fast track the building process by taking advantage of the council approved plan already in place or utilize a plan from another builder of your choice.
