The Gilbert's Hill development is designed to provide medium to substantial sized allotments, taking full advantage of its natural gentle slope.

A social commitment of 3 spacious recreation spaces and advantageous public facilities including playgrounds, 5m wide linear reserve buffers Gilbert's Hill from Gods Hill Road. Internal roads are designed to offer 'line of sight' views to the surrounding Barossa Ranges. Through traffic has been discouraged for safety and privacy. The overall Gilbert's Hill Estate is surrounded by the reassurance of history and heritage, sprawling nature and easily accessible amenities; we invite you to reward yourself with a quality lifestyle and home in one of the oldest townships of South Australia.
