Looking for a large home with plenty of space for the whole family, this home offers so much potential and a very flexible floor plan and is well suited to the large family, dual occupancy, or savvy investor.

Boasting a whopping seven bedrooms and two kitchens over two levels, this home could very easily be converted for two families to live independently, one down stairs and another upstairs. Downstairs offers two large bedrooms, living space, study, kitchen and dining area, bathroom with laundry facilities and separate toilet. Upstairs there is four bedrooms, another kitchen, bathroom, separate toilet and a balcony. There is even a cellar!
