Exceptional family living on a good sized block in a sought after area, this one is everything you have been looking for.

The home offers a very modern floor plan with an emphasis on space. Downstairs includes two large separate living areas, perfect for the growing family. The generous formal lounge and dining area sits in the middle of the home and overlooks the side garden through the bay window. The rear features a family room, casual meals area and kitchen that is well equipped with a walk in pantry, stainless steel appliances and a dishwasher. There is also a fourth bedroom/study, powder room with toilet, and laundry with easy access outside.
