This well-built family home is ready to move in and make your own, it also offers a great opportunity to extend or redevelop the site (STCC). With character features flowing through the whole home, if the walls could talk they would tell a story or two. Tightly held by the current owners for over 30 years, it's now up to you to write the next chapter.

The functional floor plan currently offers two generous sized bedrooms, both with built in robes, the master with French doors that open to the rear courtyard. The existing layout has been adapted to incorporate a large living room, separate dining room and kitchen with great cupboard space, gas cooktop and dishwasher. The family bathroom is located down the hallway with separate toilet and
