What a perfect location, five minutes to the city, ten minutes to the beach.

Currently rented until the end of January 2016 for \$240/week offers fantastic investment opportunities. This ground floor unit features an open plan kitchen and living area, both bedrooms are carpeted and have built in robes. After a hard day at work there is nothing better than lighting some candles, turning on some music and relaxing in the bath. For year round comfort the home is fitted with a reverse cycle air-conditioner. There is also an off street reserved car park space.

With public transport at your door step, and a shopping centre so close this unit ticks all the boxes and is a great investment for the future.
