This one of a kind home has so much on offer. The home itself offers a spacious kitchen, three bedrooms, two living areas, and a fully enclosed sun room perfect for all year round entertaining. In need of a lot of renovations though this home is a perfect choice to make your own.

Outside offers a huge back yard area perfect for the family or pets, plenty of car parking with a secure double width carport and drive through access to a rumpus room or shed.

Set in a great location close to good schools and shopping plus transport links to the North and South.
